LETTER FROM THE DEAN

Dear BGSP student,

Welcome to the Fall semester 2020 at BGSP. I hope you will take time to read this thoroughly as it contains important information. Please file your registration forms as promptly as possible and go off and have a wonderful summer!

COURSE SCHEDULES

After much deliberation we have decided that, due to the danger presented by COVID19, all of our classes this Fall will be offered through videoconferencing.

How many credits are our courses?

We will be running both 2 and 3 credit courses. Pre-candidacy and Master's courses are all 3 credits. Candidacy level courses are 2 credits. Psychoanalysis, Society and Culture program classes may be either 2 or 3 credits. Two credit courses will meet for 12 classes and three credit courses will meet for 14 classes with a 15th week exam week.

Are we meeting weekly?

It is important to pay attention to the frequency of meetings of courses as they are individualized. You will see on the syllabus for each course the dates that it will meet.

All 111 and 211 supervisions will follow the every other week schedule (with three out-of-sequence meetings) and meet for 1 ½ hours.

All three-credit courses will meet weekly for 14 classes.

The One Year Program will meet every other week for 10 weeks with one out of sequence week in October. As a result, class weeks #4, 5, and 6 will meet three weeks in a row.

I understand that the schedules can be confusing, as different classes in the same program are meeting on different schedules. Unfortunately, this is necessary in order to fit in the necessary number of hours and still allow for vacations, holidays, and a summer break. I recommend that you take note of the specific dates of each class that you are in. Please note that there are three out of sequence classes for the two credit classes, one in October (the week of October 26th through October 30th), one in December (the week of December 7th through December 11th), and one in January (the week of January 4th through 8th). These are scheduled for the alternate week in the every other week schedule.

ATTENDANCE

Please note that students are expected to attend all classes. Two excused absences per course may be granted by the instructor for extenuating circumstances. We highly recommend you save this for emergency situations since two is the maximum number of absences allowed.

WRITING CENTER

I am happy to announce that Ms. Maria Beane will again be running a Writing Center for students who would like help with their writing and understanding of psychoanalytic concepts. Students will schedule meeting times with Ms. Beane. Please contact her for more information at 603-380-3773 or email her at mariabeane@yahoo.com. Please register for EX 110 in Empower.

FOR STUDENTS IN PLACEMENTS AND INTERNSHIPS

Master of Arts in Mental Health Counseling Placements

Ms. Christina Healy is our fieldwork placement/practicum coordinator. If you are beginning a fieldwork placement, please let Ms. Healy know and schedule a time to talk with her. She can be reached at 617-285-3214 or healy133@comcast.net.

The first semester of your fieldwork experience is usually your counseling practicum. However, we are unclear at this point if in person placements will be open. If not, or if you feel unsafe going to a placement, we are working on telephone or video interviewing options for a counseling practicum experience. Learning about psychosis will occur in video and film format if in-person placements are not available.

For the first semester of fieldwork, (CP185), please also register for CP 330 Counseling Practicum, CP 331 Practicum Supervision, and CP 111 Group Supervision. Students in ongoing semesters of fieldwork continue to register for CP 340 Field Placement and CP 111 Group Supervision. If fieldwork sites are not open, there will be alternative forms of learning about psychosis and we are working on options for telephone work with patients.

Internships:

Mr. Tom Patria is our Internship and Career Services Coordinator. To plan for your counseling internship, please meet with Mr. Patria by November 15 of your first semester of study to plan when to apply for and begin the internship. Mr. Patria can be reached at 508-474-5220 or patriat@bgsp.edu. When ready, students fill out an application form for internship readiness which they give to Mr. Patria. This form can be found on the BGSP website in the Internship Manual under Student Resources.

Due to COVID19, many internship sites are up in the air about their plans. It is not clear if the public schools will be reopening or when, thus we do not know about the availability of the School Based Internship program at this time.

If you have an internship scheduled to begin or ongoing, please check with Mr. Patria and with Dr. Goodwin, mgoodwin17@hotmail.com, to review safety practices in light of COVID19.

Students engaged in an internship should register for CP 350 Internship and CP 351 Internship Supervision. Interns working with children should also register for CP 143.

Master of Arts in Psychoanalysis Program Placements

Master of Arts in Psychoanalysis students begin fieldwork in the second semester of study. In this first semester of fieldwork placement, you register for PT 330 Fieldwork. In your second and third semesters of fieldwork placement you will register for PT 340 Fieldwork. You will also register for supervisions while you are in a fieldwork placement. In all semesters of fieldwork, you will register for PT 111 Group

Supervision. In addition, you will register for PT 341 Individual Supervision in either the second or third semester of your fieldwork. As noted above, in person fieldwork sites may not be open for the Fall, or if so, will be an option rather than a requirement. Students will learn about psychosis through films, video interviews and possibly telephone work.

RECOMMENDED SCHEDULES

Below is a chart that recommends course registration for you based on your program. For students in the clinical Master’s programs, please register for the courses that correspond to the semester you are in. For instance, if this is your first semester at BGSP and you are a full time student you would register for 104, 141, 151F, 181, 191, and 190. You may also register for fewer courses, if you are so inclined. If you plan to register for less than a full-time schedule please discuss with your advisor which courses to take. If you are a first semester student it is highly recommended you enroll in 191, as this can serve as the fulfillment of the prerequisite for 185. The 190 orientation group is required of all first and second semester students in the clinical programs.

Students who are starting Fieldwork register for 185 Fieldwork Seminar and 111 Group Supervision, and counseling students also register for 331 Individual Supervision.

The Psychoanalysis, Society, and Culture courses are electives in all other programs.

For purposes of financial aid, a half-time schedule is 4 to 6 credits, depending on the degree program. Please refer to the chart on p. 14 for details. For more information on the topic of credits and financial aid, please consult with Ms. Stephanie Woolbert.

If students are concerned about going through the program in a timely manner, they should take required courses into account and be informed that the same requirements are not offered every semester. In addition, if postponed, required courses may later conflict in scheduling with other required courses, making additional semesters necessary.

Program Schedule (Psychoanalytic Programs):

Semester	Course	Course	Course	Course	Course	Course
MA: First	141	151F	181	191	104	190a
MA: Second	141	151F	181	191	185	190b
MA: Third and Fourth	150	155	170	185	143*	
Doctoral Candidacy (Pre-Candidacy and Accelerated doctoral students: Please consult with your advisor)	157	187**	2610/ 2611	286***		

*required for all students working with children in an internship setting

**prerequisite is 4 semesters of 2610/2611

***open to students who have completed the clinical case review presentation, with permission of the instructor

Please note that the program schedule does not include supervisions. You may talk to your advisor about the appropriate supervision for you. (111, 331, 341, 351, 211, 311, 411)

I understand that there may be scheduling problems for some students. If the schedule presents a problem for you, please discuss it with your advisor and with me so we can help to resolve it. The best way to reach me is to call (617) 332-2467 at 8:00 AM or after 7:00 p.m. (up until 10 P.M.)

Sincerely,

A handwritten signature in cursive script, appearing to read "Lynn Perlman".

FINANCIAL INFORMATION

Good Financial Standing

Students are required to submit either a complete student loan application or a satisfactory tuition payment in order to be admitted to class. Tuition can be paid by personal check, the extended payment plan or in full by credit card (Visa, Mastercard, Discover, or American Express). A non-refundable charge of up to 2.75% will be assessed by your credit card company for credit card payments. Students not applying for financial aid or whose financial aid application is incomplete should make payments in full in order to remain in good financial standing. Students whose extended payment plan payments are not honored may lose their good financial standing.

Students who are not in good financial standing are not permitted to attend class until the situation is rectified. These absences may be counted as unexcused absences by the instructors. All students with outstanding balances at the end of the semester will be assessed a 1% per month financial charge until the balance is cleared. Additionally, the Boston Graduate School of Psychoanalysis may withhold diplomas, degrees, transcripts and other official notice of work done at the School from students who are not in good financial standing. A student may not withdraw in good standing or graduate until all obligations to the school are paid in full.

Extended Payment Plan

Under this plan, the full tuition may be equally divided into five payments according to the extended payment plan contract. The first installment is due by the registration deadline. The next four payments are due on the 15th of the subsequent months. The application for the extended payment plan is provided with the registration materials and is submitted with the registration form. The student submits five post-dated checks representing the five calculated payments. There is a \$75.00 fee for this service, paid at the time of registration. The first payment is due with registration.

Types of Financial Aid

The Graduate School offers Federal Student Loans in the William D. Ford Direct Loan Program, as well as assistantships and institutional aid. Inquiries may be directed to the Director of Financial Aid, Ms. Stephanie Woolbert, by phone 617-277-3915 or email financialaid@bgsp.edu

Institutional Financial Aid

Below are descriptions of the types of Institutional financial support offered to students who meet certain eligibility requirements. Students interested in receiving financial support who meet the eligibility requirements should submit the BGSP Application for Institutional Financial Aid before the deadline. If you have received this support in the past, please still submit the application each semester to confirm renewal of your award.

Tuition Support for Advanced Candidates:

For students in the Doctor of Psychoanalysis program who have completed their candidacy coursework, passed their clinical presentation, and received approval from the Dean. Eligible students receive a 50% discount on the per-credit course rate, for courses only (not Directed Research, supervision, Therapy Center fees, or other fees).

Institutional Financial Aid (continued)

School Outreach Internship:

For students accepted into the School Outreach Internship. Eligible student interns receive a tuition waiver for the EX 214 supervision.

Therapy Center Fee Support:

For students accepted as Therapy Center Fellows. Eligible students receive waiver of the Therapy Center semester fee. Awards will be verified each semester with the Director of the Therapy Center.

On-Campus Assistantship:

For students who hold one of the on-campus assistantship positions and have elected to have their payment for hours worked offset the cost of tuition and fees. A limited number of assistantships are available and granted based on need and the ability to perform the tasks of a specific assistantship. Assistants receive a W-2 for wages earned, including tuition remission. The assistantship is considered a loan and un-worked hours will be billed to the students account. Eligible students will determine payment arrangements with the Controller at the beginning of each semester. **Note: Assistantships are not available to first year students.*

Family Member Scholarship:

For students who are children of a faculty member at BGSP, please see Ms. Stephanie Woolbert for more information.

Eligible candidates have completed at least a Bachelor's degree and have been employed in a clinical human service agency in the United States (such as a hospital, residential facility, or in-home intervention program) for at least one year at the time of first application to BGSP. The scholarship offers up to 20% of course tuition, renewable each semester for up to two years, as long as the student maintains good academic standing. Please contact Ms. Stephanie Woolbert with any questions, and for a copy of the Career Advancement Scholarship Application.

Federal Student Loans

Students may apply for loans through the William D. Ford Direct Loan program. Students are required to complete a FAFSA, entrance counseling, sign a Master Promissory Note and if necessary complete the Non-Tax Filer Worksheet. All forms and links to relevant websites are available at:

<http://www.bgsp.edu/admissions-and-financial-aid/financial-aid/how-to-apply/>

Students may apply for loans in the Direct Unsubsidized Loan Program and/or the Direct Grad PLUS Loan Program. It is recommended that students exhaust their Direct Unsubsidized Loan eligibility before borrowing in the Direct Grad PLUS Loan Program.

Financial Aid Application Checklist:

- ✓ 2020-21 FAFSA
 - ✓ Master Promissory Note
 - ✓ Entrance counseling*
 - ✓ Non-Tax Filer Statement*
- *if applicable*

Eligibility Requirements

- U.S. citizen or eligible non-citizen (i.e. non-resident alien, citizen of a U.S. Territory)
- Enrolled in an eligible program. All regular degree programs at BGSP are eligible.
- Registered at least half-time (4+ credits, 6+ credits varies by program). Students that have completed all coursework and are working on their final paper are considered half time if they register for at least 3 credits of directed research. For financial aid purposes only, there is a semester limit for research only status, 3 semesters for Master's students and 6 semesters for Doctoral/Certificate students (actual time to finish paper may be longer or shorter).
- Satisfactory Academic Progress: Students are required to make Satisfactory Academic Progress in their program of study. To achieve this, students must be in good academic standing, meaning they are progressing through the program, earning passing grades and making up any incomplete grades by the deadline. Students are considered to have fallen out of good academic standing if they are not progressing at the minimum completion pace of 67% or if they are placed on probation. For information about the criteria for probation, please refer to the Student Handbook. Students that do not meet this requirement are not eligible to receive federal aid and may go into repayment until they regain good standing.
- Completing the program within the financial aid time limit: Students are required to complete the program within 1½ times the published program length. A student who exceeds the maximum timeframe is not eligible to receive additional federal student aid.
- Withdrawal from the program may affect loan eligibility. The Federal Student Loan law requires that a student who withdraws from school payback unearned loan funds to their lender. The amount is prorated based on the withdrawal date. If the student fails to officially withdraw in writing, the last date of attendance will be their official withdrawal date. Please note that BGSP's withdrawal/refund policy differs from Financial Aid rules, and the student may end up owing a balance to the school.

Direct Unsubsidized Loan Program (4.3% fixed interest rate)

- Annual limit of \$20,500.00 unsubsidized (the student pays all the interest; payments may be deferred while in school) Aggregate loan limit is \$138,500.00 for graduate students.
- You may pay interest-only while in school (to avoid compounded interest) or make a payment at any time without penalty.
- You may defer repayment on new loans until 6 months after graduation (or last date of half-time or more enrollment).

Direct Grad PLUS Loan Program (5.3% fixed interest rate)

- Does not affect your aggregate loan limit.
- You may pay interest-only while in school or make a payment at any time without penalty.
- Goes into immediate repayment unless the student defers repayment until after graduation.
- Additional Eligibility Information: A credit check is required, and only credit-worthy students will be approved. Students may have a US citizen co-sign the loan.

Veterans Education Benefits

The Brookline campus is approved by the Department of Veteran's Affairs for students to claim their Veteran's Education Benefits. For more information, please contact the Financial Aid Office or visit: <http://www.gibill.va.gov> or <http://www.mass.edu/veterans>.

Important!

Student loan borrowers are required to notify both the Director of Financial Aid and their servicer, the US Department of Education, of any status or address changes.

REGISTRATION FAQ'S

Who may register? What may I register for?

Students in the Psya.D. Certificate, CAGS, Master of Arts in Psychoanalysis, Master of Arts in Mental Health Counseling, and Psya.D. or Master of Arts in Psychoanalysis, Society, and Culture consult with their advisors regarding courses. Students in the One-Year Program register for the One-Year Program courses and may register for courses in the extension division. Students not admitted to these programs should contact the Dean regarding course options.

How can I request a Leave of Absence?

To request a leave of absence, students are required to submit a written request to the Dean each semester. Students considering a leave of absence submit a letter with the \$100 fee before the registration deadline. Students then meet with the Dean to obtain an approved leave of absence. A student maintaining matriculation on an approved leave of absence pays a registration fee, receives credit for hours of training analysis during the absence, and a mailbox at the School upon request. Prior to taking a leave of absence, students on financial aid speak with the Director of Financial Aid about repayment of their loans. Please consult your advisor for details.

Important!

Request a leave of absence before registration. If you are on financial aid, speak with the Director of Financial Aid

How can I add or drop a class?

To add or drop a course, submit the signed Add/Drop form to the Registrar before the second class meeting with your advisor's signature. If the form is received after the second class meeting, the instructor's signature is required and withdraw (W) is listed on the transcript. Absence from class does not constitute a drop. See the refund policy in "Tuition and Fees" for information about refunds.

Students on Financial Aid: For students on financial aid, adding or dropping a course may affect the cost of attendance. Contact the Director of Financial Aid to determine whether adding or dropping a course will affect your eligibility for federal student loans.

International Students: International students are required to maintain a full course of study. Contact the International Students Coordinator to determine whether dropping a course will affect your status.

Important!

Submit add/drop form before the second class with your advisor's signature

The fee is \$40 per course. The form and fee are due at registration. At the end of the semester, a continuing education certificate is issued after successful completion of the course and the appropriate evaluation form. Evaluation forms are distributed on the last day of class or may be picked up in the administrative office.

Credits are available in the following areas:

OTHER STUDENT FAQ'S

What is the school's attendance policy?

Students are expected to attend all classes. Two excused absences per class per semester may be allowed with permission of the instructor. More than two absences result in a grade of No Credit. This is a school wide policy based on the importance of attendance in the experience of process teaching. Students who have to miss a class fill out an absence request form ahead of the absence. Absence request forms are available in the forms box.

Where can I find information about school policies?

The Student Handbook has a complete listing of policies and procedures. Handbooks are distributed during the fall semester via email. You may also access the Student Handbook on the BGSP website under the "Current Students" tab, listed under "Forms and Handbooks". Upon request, they are available throughout the year from the Administrative Office.

How can I get my readings?

Most class readings for the semester will be available online via the Library Resource Center on the BGSP website (www.bgsp.edu). For new students: Please make sure to attend the school's New Student Orientation where you will meet Amy Cohen-Rose, the librarian, get an overview of the library services, and get your secure passwords needed to access the online readings.

Where can I go with questions about my student visa?

Feel free to contact Ms. Stephanie Woolbert with any questions regarding your student visa. Please notify her of any changes in your visa status, name, address and telephone number. *Note: If you are planning to leave and re-enter the United States, the Form I-20 needs to be signed by a designated school officer (DSO) and dated within the last six months.*

How can I contact faculty and students?

Student and Faculty Directories are available online when you log in to the Empower student information system. Click the "Settings and Searches" tab and "Directory". In the Last Name box enter at least the first two letters of the person's last name. The Student Directory contains your name, address, telephone number, and email address. Additional information about you, including degree awarded and date of degree award, may be published, as specified in the Student Handbook under the heading, "Directory". If you do not want this information published, please write a letter stating your request and send it to Ms. Kaeli, the Registrar. The request must be made every semester.

Are there any student groups?

The Student Association is a community of students at the BGSP. The Association brings students together in the interest of working with student needs and concerns. This has taken a

variety of forms including: establishing a student office with a phone, maintaining the student lounge, organizing student meetings, and organizing parties such as the annual holiday party. The Association also serves as a conduit of information between students and the administration. As the school evolves, the Association is considering new structures that better include all groups of students.

The Student Association fee is \$25 each semester. These funds provide the association with an independent budget, some of which goes toward the above-mentioned activities.

I'm graduating! What do I need to do?

If you are planning to finish your program this semester, please note that the Application to Graduate and fee need to be submitted when you finish your thesis, final project or dissertation. Applications are available online and from the Registrar's office. The School also requires three hard-bound copies and a PDF copy of your final paper.

I want to switch to a different program. What should I do?

Students applying to a new program submit a full application and fee to the Admissions office. Admissions interviews will then be scheduled. Questions about the application process may be directed to the Admissions Coordinator, Ms. Stephanie Woolbert. Master's students applying to the Certificate or Doctoral program consult with their advisors to ensure that entry requirements are being met.

FIELDWORK PLACEMENT

Psychoanalytic Programs

Master's students are eligible to apply for Fieldwork Placement once they have completed 12 hours of training analysis and PT 191, or 184, or 186. Certificate and Doctoral students may be eligible to apply for Fieldwork Placement as soon as their first semester. Students who wish to enter the Fieldwork Externship obtain approval from the Fieldwork Coordinator, Ms. Christina Healy. Consult the Fieldwork Manual for policies and procedures of the Fieldwork Program. Students are required to continue in analysis during the fieldwork experience. (Reminder: The Completion of Fieldwork Form requires a number of faculty signatures.)

What clinical courses do I register for?

Students beginning fieldwork register for PT 330, PT 111 and PT 185. Students in their second and third semesters of fieldwork register for PT 340a or 340b, PT 111 and PT 185. Students in the last semester of fieldwork also register for PT 341.

Important!

Submit paperwork at the beginning and end of your placement

MA in Mental Health Counseling Program

Mental Health Counseling students are eligible to apply for Fieldwork Placement Practicum once they have completed 12 hours of training analysis and CP 191, 184, or 186. Students who wish to begin their Field Placement or Internship obtain approval from the Fieldwork Coordinator, Ms. Christina Healy. Students are required to continue in analysis during the fieldwork experience. (Reminder: The Completion of Fieldwork Form requires a number of faculty signatures.)

What clinical courses do I register for?

Counseling students beginning the first semester of their fieldwork experience (Practicum semester) register for CP 185, CP 330 (Practicum), CP 111, and CP 331 (Practicum Supervision). In the two subsequent semesters of fieldwork, students register for CP 340a or CP 340b Field Placement Externship, CP 111, and CP 185. Students beginning their internship in the second year register for CP 350 Internship and CP 351 Internship Supervision. Students undertaking the counseling internship continue to meet psychoanalytic program requirements (following three psychotic patients) and should meet with Mr. Tom Patria to arrange for an internship placement. This entails a 15-hour per week placement.

ADVANCEMENT TO CANDIDACY

For graduating Master's students who plan to apply to the doctoral program, or doctoral students who are completing fieldwork, the following describes the procedures for advancing to Candidacy:

For all students, your fieldwork presentation should be completed successfully. Scheduling your fieldwork presentation early in the semester will allow you more time to complete the other requirements.

After the completion of fieldwork, all students take the Qualifying Exam. Ms. Dorsey will administer the exam once each semester on a specified day and time. Students will receive an email notification of the date. Deadlines will be set each semester for advancement or acceptance for the following semester.

Also, begin to compile materials for either 1. the Candidacy review (for Doctoral students) or 2. the application to the Psya.D. or Certificate program (for Master's students).

How do I know if I should complete a Candidacy review or an application to the Psya.D./Certificate program?

Look back to your original acceptance letter to BGSP. If you were accepted into pre-candidacy of the Doctor of Psychoanalysis or Certificate program, you should follow the directions for a Candidacy review. If you were accepted into one of the Master of Arts programs, you should submit an application to the Psya.D. or Certificate program.

1. Materials needed to begin the Candidacy review include the Application for Candidacy, confirmation of successfully passing the qualifying exam, and a completed one-year evaluation. These materials and confirmations should be submitted to the Admissions Office.

The Admissions Coordinator may schedule two interviews for an advancing student after the following are completed:

- The Application for Candidacy
- The qualifying exam is evaluated and approved

Dr. Perlman will sign the Application for Candidacy if approved, and the student will receive a copy.

2. Materials needed for a complete application to Psya.D. or Certificate program include the application form, application fee (\$50), personal statement of interest, and 2 letters of reference (at least 1 from a BGSP faculty member) with waiver forms. An unofficial copy of your transcript will be provided by the Registrar prior to interviews. These materials should be submitted to the Admissions Office.

The Admissions Department may schedule two interviews for an applicant after the following are completed:

- Application for Psya.D./Certificate admission
- The qualifying exam, evaluated and approved
- The Master's paper or thesis has been submitted as a final edit (if applicable)

Admissions will not send a decision letter until all Master's requirements are completed, including the Master's paper/thesis and all coursework.

Acceptance to the Therapy Center is a separate process and is arranged through the Director, Dr. Helen Michael.

THERAPY CENTER

Certificate and Doctoral Candidacy Students

Candidates accepted for an internship in the Therapy Center have three cases supervised in PT 211 Supervision for one year. With approval from their fellow, they are supervised in PT 311 Individual Supervision in their second and subsequent years at the Therapy Center. PT 411 Control Analysis is individually arranged after approval is obtained from the Dean. The Therapy Center Manual contains information about its policies and procedures. For the first two years in the Therapy Center students meet weekly with their fellows.

What clinical courses do I register for?

Candidates approved to participate in the Therapy Center internship register for PT 440 (Therapy Center Laboratory), PT 211 Supervision, and PT 2610 their first semester. In subsequent semesters, students register for PT 450 (Therapy Center Laboratory), PT 211 or PT 311 Supervision, and PT 2610 (or another advanced clinical course). Once approved to begin PT 411, students register for this in addition to PT 450 (Therapy Center Laboratory), PT 311 and PT 2610 (or another advanced clinical course).

CLINICAL PRESENTATION AND FINAL PROJECT INFORMATION

Getting approval for the clinical presentation

1. After a minimum of 25 hours of PT 411 supervision, the student requests that the PT 411 and PT 311 supervisors complete an evaluation of the student's progression. The evaluations are submitted to the Dean of Graduate Studies.
 - a. **How will you be evaluated?** The supervisors are provided with a set of criteria, for example: does the supervisee present in such a way that the patient comes through as a person; is the supervisee able to work relatively free of personal problems; does the supervisee indicate an understanding of psychodynamics; does the supervisee present an understanding of the patient's defense structure, diagnosis and conflicts; does the supervisee use the supervision; and can the supervisee report back on the supervision.
2. The Dean receives the evaluations and meets with the candidate's fellow. The fellow checks for completion of requisite coursework and prepares an abstract of evaluations of the candidate, including evaluations from instructors and fellows.
3. The student asks Dr. Michael for a date to present his/her Therapy Center cases.
4. The student presents before the Fellows & Faculty who make recommendations regarding further training.

Who does the clinical presentation?

Advanced Certificate and Doctoral Students

Getting approval to begin research

Who is this for?

Certificate and Psya.D. students

1. For psychoanalytic program students, at any time after the clinical presentation the student may submit a 3-5 page statement to the Research Committee (this may be given to Dr. Snyder or Dr. Soldz) indicating an area of research interest and a research question.
2. If the student has presented a researchable topic, the committee will advise the student that he/she may begin the project.

Once the topic is approved

The student will work with three readers over the course of the project. For psychoanalytic program students, two of the readers must be members of the Research Committee to whom the student will report back regarding the progress of the project. At the beginning of the project the student works either with a reader (his/her chair) who is approved by the Committee, or alone. If initially working alone, the student chooses a reader (chair) once he/she has a clear idea of what he/she wants to do. A second and third reader will be approved when the student is ready. A number of specialists may be available as readers on special topics, e.g. Dr. Reed on somatic issues.

An outside reader may be chosen as the third reader with the approval of the Research Committee.

How many readers do I need?

In the beginning most students work with one reader. As the proposal is developed, the student adds a second reader. Students also add a third reader when ready. The proposal should be approved before data collection commences.

How do I register for a reader?

Students working on a thesis, dissertation or final project register for Directed Research:

- Half Credit:** \$415: 1 ½ hour meeting time,
1 ½ hour reading time or a total of 3 hours
- One Credit:** \$830: 3 hours meeting time,
3 hours reading time or a total of 6 hours
- Two Credits:** \$1660: 6 hours meeting time,
6 hours reading time or a total of 12 hours
- Three Credits:** \$2490: 9 hours meeting time,
9 hours reading time or a total of 18 hours

Course Numbers for Directed Research:

- MA in Counseling Students – CP 326 (0.5 credit)
CP 327 (1 credit)
CP 328 (2 credits)
CP 329 (3 credits)

- MA in Psychoanalysis Students – PT 326 (0.5 credit)

- Psy.D. and Certificate Students – PT 527 (1 credit)
PT 528 (2 credits)
PT 529 (3 credits)
PT 530 (0.5 credit)

Need more hours?

When more hours are needed, the student submits an Add Form with the reader's name, obtains the academic advisor's signature and submits the form with payment to the registrar. Students may register for additional hours at any time throughout the semester.

What if I don't use all of my hours during the semester?

Unused hours do not carry over to the next semester. Students that are unsure how many credits to register for may choose to register for one credit initially and add credits as needed.

REGISTRATION CHECKLIST

Degree Program Students:

- Online Registration:** Once a student selects courses online, he/she saves the list of pending courses as a PDF using the internet browser print button. **While we cannot be in the office due to COVID-19 restrictions** the student sends an email with that PDF attached to the advisor/fellow and the advisor/fellow sends that form with their approval stated in an email to the Registrar. The advisor/fellow also approves via email the Statement of Analysis, checking for the analyst's email approval and frequency of sessions. The advisor/fellow sends this email chain to the Registrar.
- Payment:** Registration is processed once students have paid all their fees in full, filled out an extended payment contract or completed the paperwork for financial aid. Students who are participating in the extended payment plan are required to submit the financial form. A credit card payment form is available for students who wish to pay by credit card. A non-refundable convenience fee of up to 2.75% will be charged by your credit card company if you choose to pay by credit card.
- Analysis Statement:** All returning students submit a Statement of Individual Analysis and a Statement of Group Analysis (if applicable) with their registration. New students submit a statement once they have entered analysis.
- Health Form:** filled out by all degree program students once a year.
 - **Insurance waiver:** All full-time students are required to submit evidence of insurance. Students may sign up through the Massachusetts Health Connector during the next open enrollment period, or if they've experienced a qualifying event: <https://www.mahealthconnector.org/>. *Note: Free care offered by participating hospitals is not a valid insurance program.*
 - **Immunization documentation:** Massachusetts state law requires that all full time and part time students submit evidence of the following:
 - 2 doses of MMR (measles, mumps, rubella) or proof of immunity
 - Tetanus or Tdap shot received within the last 10 years
 - 3 doses of hepatitis B vaccine or proof of immunity
 - 2 doses of Varicella (chicken pox) vaccine or proof of history/immunityAny student who has not submitted documentation of immunization is required to do so with their registration materials. Alternative acceptable documentation is as follows:
 - A note from a physician indicating dates of immunization
 - A laboratory report showing serologic proof of immunity
